

COAC Trade Facilitation Subcommittee Recommendations

October 4, 2011

1. COAC supports the concept of the Simplified Release, Entry Summary and Financial Processing.
2. COAC endorses the Pilot, Phase 1, in its current form.
3. COAC is committed to work with CBP and the Industry Working Group to ensure the needs of the importing community are addressed.
4. COAC recommends CBP articulate a plan for this work to continue into Phase 2 and later, and for CBP to provide a status update to COAC by December 2011.
